Protected Designation of Origin

Dehesa del Carrizal

Grape Variety

Syrah, Merlot, Cabernet Sauvignon
and Petit Verdot

Production

8.000 bottles/year

Vineyard

Date of Plantation

Between 1987 and 1998

Area

Selected grapes from our vineyard

Aging

Barrel Type

French oak

Barrel Age

New and 1 year old

The best of the best, assembled to perfection. A cherry red coloured wine with youthful tones. Complex nose with floral notes, mineral spice, balsamic hints and berries. On the palate it proves powerful, full-bodied, very tasty and well balanced with a great personality. It offers a long and complex finish: the aftertaste brings back the fruit and minerals, joined by black chocolate, toffee and toasted nuances.

The different varieties are vinified separately, then aged in selected new French oak barrels. Now the blending starts and it will be adjusted in order to reach a perfect balance.

This pursuit lasts for 18-20 months and only the best vintages are released. Only the bottles from the selected barrels, the winners, will make their way to the wine rack and then to the market. Colección Privada aims at the highest in the wine world.
